PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY. NOTICE OF REDUCTION OF PASS.

AGE MONEY IN the year 1867 the Directors made a considerable reduction in the Company's rates of Passage Money, which continued in force till 1861. In that year, owing to the extraordinary rise in the Gost and Freight of Coals, and the enlianced price of all descriptions of Naval Stores, the Directors were reluctantly compelled to return to the rates of Passage Money previously in force. They are now happy to state that a decreuse in the price of Coal and other expenses of Steam Navigation enables them to reduce the Company's Passage rates to the undernoted scale, which will take effect from and after the lat June next, viz :-
